

REQUIREMENTS FOR PERFORMING NUTRITIONAL ANALYSIS OUTSIDE the state of Georgia

All recipe/formula ingredient information is kept strictly confidential.

In order to perform a nutritional analysis on your product(s), the following information is required:

- 1) Recipe/formula in accurate weight, i.e., grams, pounds, ounces, etc.
(must include **all** ingredients) (Household measure is acceptable.)
- 2) Gross batch weight/volume before cooking (average of several batches)
- 3) Net batch yield weight/volume after cooking (average of several batches)
- 4) Container/package size(s)
- 5) Name of contact person, company name and address, phone number, FAX number and email address

**OUT OF STATE
ONLY**

**Before submitting, please call Marian at 706/542-2574
to see if product sample is required for analysis.**

**Analysis results and Nutrition Facts label (TIF format)
will be emailed or faxed and followed with a printed copy by mail.**

Payment in advance is required – check or money order made payable to the *University of Georgia* or provide credit card authorization information below.

The charge is \$50.00 USD per recipe/formula, plus a charge of \$25.00 USD per each additional container size required (i.e., 8oz., 12 oz, 16 oz., etc.)
